## Florists' Flower Seeds

We devote equally as much care and attention to the department of florists' seeds as to vegetable seeds for the gardeners. Our stocks are grown for us by the best growers and specialists, both at home and abroad, and entire confidence can be placed in our strains herewith offered, as it has always been our policy to secure the very best obtainable, cost being a secondary consideration. We would especially recommend our strains of Aster, Calceolaria, Cineraria, Pansy, Petunia, Primula, Stocks, Verbena, Cyclamen, Cosmos, Mignonette and all such other seeds as are much in demand by florist.

**All Flower Seeds are Tested for Vitality Before Being Sent Out.**
